Students in K/1/2 thoroughly enjoyed their lessons on Road Safety and wearing seatbelts, especially when it involved sitting in Mr Allen’s sports car!
Welcome back to Week 6 of Term 2. Tomorrow a number of students have qualified to represent Small Schools at the Leeton Narrandera PSSA Athletics Carnival. I hope you all have a wonderful day and good luck! This weekend is the traditional June Long Weekend. I hope everyone enjoys their break.

School Organisation
As many of you would be aware, we have had a disrupted week, with both Mrs Binns and Mrs McClymont off sick and a number of casuals supervising classes in their absence. We hope that they are both feeling much better and we look forward to seeing them next week.

School Photos
School photographs took place yesterday. The students were very cooperative and we look forward to some great photos.

Book Fair
The Annual YPS Book Fair was held on Monday evening in the school library. It was very encouraging to see the amount of parents attend and the students who came also had the opportunity to enter a number of free competitions. Jaite Eyles correctly guessed the number of pages in Scooby Doo' competition, with a correct guess of 32 and received a free copy, while 6 children correctly matched the staffs favourite book from the fair, Mrs McClymont (Get the Giggles), Mrs Binns (King Pig) and Mr Allen (The Annoying Orange). The Book Fair raised over $700 and the proceeds raised will be used to purchase new books for the library.

Responsible Pet Program
On Friday students in K/1/2 were visited by a member of the Responsible Pet Education Program, following from last year’s successful visit. Students participated in activities which informed them how to care for pets and how to approach unknown animals, in particular dangerous dogs. Students also had the opportunity to pat Zena, the trained, student friendly Jack Russell Terrier and were sent home with an information pack.

National Consistent Collection of Data on School Students with Disability - Including Medical Conditions and Learning Difficulties
Our school is participating in the collection of nationally consistent data on students with a disability. Under the Disability Discrimination Act (DDA) this will include students who have a medical condition, for example asthma or allergies, and students with learning difficulties, for example reading difficulties. A fact sheet on the data collection is attached to this week’s newsletter. An ‘opt out’ letter is also attached for parents to return if they do not wish for their child to be included in the data collection. It will be beneficial to the school if we have all students who are eligible to be included in the data collection.

School Reports
Staff are currently completing Semester One student reports. These will be sent home with students in the last week of this term on Wednesday, 25 June 2014. This year sees the first year of the implementation of the new NSW English Syllabus, and there are changes to how English will be reported as we move into the new English curriculum. Further information will be sent with school reports.

Operation Art
Operation Art will take place in Griffith at the Griffith Regional Art Gallery on the last week of this term. Operation Art is a fantastic opportunity for students to attend professional visual arts workshops organised by talented artists and presenters and complete a piece of art. A number of students have been nominated to attend this year’s workshops. Parent participation will be required for this opportunity to take place, as students will be required to travel to Griffith over a number of days to participate. Details are attached to this newsletter for the students involved.

Primary Assembly
A quick reminder that the next primary Assembly will be held in Week 8 on Thursday, 19 June 2014 commencing at 10.30 am under the school COLA. Students who are eligible for a Merit Award or Bronze Award should hand them to Mr Allen by Tuesday, 17 June 2014 in order for them to be published.

Sports Report
As we move towards the end of Term 2, sporting commitments are beginning to be completed. Mrs Binns will travel to Albury next Thursday, 12 June 2014 as manager of the Leeton Narrandera PSSA Boys Touch Team after doing a great job convening the LNPSSA Boys Touch Gala Day.

Riverina Cross Country Carnival
Good luck to Talee Warren, Brittany Dolan and Miriam Dolan, who will travel to Deniliquin on Tuesday as part of the Leeton Narrandera PSSA Cross Country Team to participate in this year’s Riverina Cross Country. It will be a challenging course running through the Deniliquin Forest.

P. and C. News

The next meeting of the P & C will be held next Tuesday, 10 June 2014, commencing at 3.30 pm in the school library. Please come along and support the small number of parents who enthusiastically support the school.

Don’t forget the World’s Greatest Shave is happening at Yanco PS in just two weeks!

**Rainy day activities**

Keeping kids active and occupied during wet days can be challenging. Here are some active play ideas for children indoors:

- build a cubby house with sheets, chairs or cardboard boxes
- play hide and seek
- play basket softball and see how many times you can throw a foam ball into a washing basket - keep increasing the distance to make it more challenging
- have a dance competition or disco at home
- set a limit on the amount of time children spend in front of a screen (tv, computer etc).

---

**Fundamental movement skills**

There is evidence that children with poor fundamental movement skills such as jumping, skipping, leaping, kicking, throwing and catching are less likely to be active. Give your kids a head start and teach them these skills.
